2011 Golden Gophers

What is the 10.0 Club?

The 10.0 Club is an organized group of enthusiasts supporting the University of Minnesota Women's Gymnastics program. Through membership in this group, you will become a vital part of the success of our Golden Gopher team, and participate in the excitement that surrounds collegiate athletics. **EXPECT NATIONALS!**

As a member of the 10.0 Club, you are invited to attend the post-meet reception in the Pavilion Club Room. You will have the opportunity to meet the gymnasts and the coaches and get to know them on a more personal level. At all receptions our coaches will analyze the meets and give you a scouting report on the upcoming opponents. You will feel like a real member of the team! *You will also receive your own 10.0 Club T-shirt at the Intrasquad meet on Saturday, January 1, 2011.*

We have an enthusiastic base of support but we would like to develop an even larger network of individuals who are supportive and responsive to the goals of our program. *Consider a family membership in our kid's Gopher Elite program, too!*

The 2010 season promises to be an exciting one as highly-ranked Minnesota will be looking to get back to the NCAA Championships again. Join the 10.0 Club and share in the thrill of gymnastics and the commitment of women athletes who are striving for excellence.

Membership Benefits
